**GOVERNMENT OF AJMER**

The following Bill is published under rule 94 of the Rules of Procedure relating to the Ajmer Legislative Assembly for general information:

BILL No. 9 of 1954

A Bill to amend certain provisions of the Ajmer (Sound Amplifiers Control) Act, 1952.

Whereas it is expedient to amend certain provisions of the Ajmer (Sound Amplifiers Control) Act, 1952, be it enacted by the Legislative Assembly of the State of Ajmer as follows: —

1. *Short Title, Extent and Commencement.*—(1) This Act may be called the Ajmer Sound Amplifiers Control (Amendment) Act, 1954.

(2) It shall extend to the whole of the State of Ajmer.

(3) It shall come into force at once.

2. *Interpretation.*—(1) In this Act the words 'Original Act' shall mean the Ajmer (Sound Amplifiers Control) Act, 1952.

(2) The General Clauses Act, 1897 (X of 1897) applies for the interpretation of this Act as it applies for the interpretation of a central Act.

3. *Addition of a new section.*—Add the following as a new section 3 to the original act, and renumber sections 3 and 4 of the original act as sections 4 and 5:—

"3. *Record of Orders to be kept.*—(1) The police officer while rejecting any application made to him for permission to use sound amplifiers shall make and deliver to the applicant an order in writing.

(2) All orders made either granting or refusing permission to use sound amplifiers under the foregoing provisions shall also indicate the name and full address of the applicant along with the nature of permission sought, and shall also contain a brief statement of reasons for refusing or granting the application subject to conditions, if any.

(3) A copy of every order passed under the foregoing provisions shall be forwarded to the District Magistrate, who shall maintain a record thereof, and shall allow inspection of such record to any person upon payment of such fees as are payable at the time for inspection of his judicial record."

*Statement of Objects and Reasons*

There exists a fear in the public mind that the Ajmer (Sound Amplifiers Control) Act, 1952, may be applied to political meetings in an inequitable manner, if the vestige

of older undemocratic traditions in the State Police be still persisting more or less. The Bill seeks to enact a check by providing for the maintenance of a public record of the manner in which such control is being exercised.

The Bill also provides for inspection of such record by the public for the benefit of such citizens as may desire to look into the working of the said Act. It is expected that the Bill, when enacted, will ensure proper development of democratic traditions consistent with reasonable freedom of speech guaranteed in the State by the Constitution of India.
